Foreword

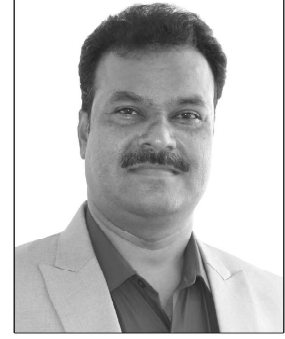

I am happy to write the 'Foreword' for Education Report 2024, brought out by our college. It has been acknowledged by NAAC as one of the 'Best Practices' followed by the college. The development of the well-rounded individual is the principal goal of co-curricular activities in the campus. The numerous experiences these activities provide, positively impact students' emotional, intellectual, social, and inter-personal development. The report is an effort to mirror this vibrant academic as well as co-curricular excellence pursued by the departments for the benefit of the students as well as their own academic growth. Therefore, it is not just a book of information or a mere compilation of activities. It also speaks of the ASIC engagements showcasing the overall development of the college in general, teachers and students in particular. It reflects the broad base approach of the college in its governance: such as administration, student's centered, institutional based and co-curricular activities. The academic and non academic excellence displays the overall performance of college in general, teachers and students in particular. Utmost importance is taken while presenting the information-it is factual to the core.

As I pen these few words, I am glad to express my appreciation and satisfaction regarding the dedication of our faculty and technical staff who have a role in the preparation of this Education Report. This is the right time to equip students with greater knowledge in the scenario of rapid changes in the field of higher education to make our students finer citizens of the society. Education Report 2024 speaks of our commitment in this direction. I sincerely thank Dr. Doddarasaiah G, Convenor, Smt. Chaya S.A. for their efforts in giving the college activities a final shape in the form of Education Report.

Dr. B.R. Jayakumari
Principal

From the Editor's Desk

All roundness is the theme of modern education. In the book "21st Century Skills: Learning for Life in Our Times", the authors Bernie Trilling and Charles Fadel have premised that "the world has changed so fundamentally in the last few decades that the roles of learning and education in day-to-day living have also changed forever". Every institution should brace itself to this challenge. We, at Mahajana College constantly strive to keep students engaged constructively beyond the classroom and the Education Report which has become part of our system is an effort to present a comprehensive picture of the learning atmosphere in the college provided through the ASIC Fora. The practice itself has come to be widely appreciated along with Education Report. The book is a true reflection and no colors are added.

I am extremely happy to present Education Report 2024. It is a long drawn process and I would like to express my sincere gratitude to Principal Dr. B.R.Jayakumari for her continuous support and encouragement during the compilation of the report. I would also thank Dr. C.K. Renukarya, Director, Mahajana Post Graduate Centre for his support. I am also thankful to Dr. Sangamitra Gowtham M J, Assistant Professor, Department of MBA, Mahajana PG Centre, for her support. I thank all the teaching staff for their co-operation. My heartfelt gratitude to Smt. Kamalakshi S, Smt.Chaya S.A. for her efforts to type the manuscripts and Mr. Ningegowda for the photographs.

7. Future plans for the next academic year:

PLANNED APPROACH TO MAKE LEARNING EFFECTIVE at the Department of Studies in Business Administration, Pooja Bhagavat Memorial Mahajana Education Centre, PG Centre for the Academic period 2024-26. Renewed focus on monitoring and adopting best practices with the team being exposed to state of the art and contemporary seminars and conferences.

Sl. No.	Program	Description	Details
1	Leader Speak Series	The previous approach continues where inviting specialists from various industries in and around Mysore to speak and interact with our students highlighting on the link between classroom curriculums focused orientation to the contemporary and emerging dimensions in the business world has highlighted. This has also become CII Mysore's initiatives from the last year.	One session of 90 minutes every quarter from across verticals of specialization and cross functional areas of excellence. We invite industry leaders and professionals with proven experience from Mysore and Bangalore.
2	Industrial Visits	Taking the students on visits to industries and arranging workshops with functional heads at the sites to interact with the students for them to gain real time exposure. We have integrated this as a part of the curriculum to provide more hands-on exposure to our students.	Two industries per exposure window with a day long program and two such modules. Students will get to understand 4 different institutions. We will be aiming at industries in Mysore, Nanjangud, Chamarajanagar and new area businesses in digital and the startup space.
3	Handholding Students by designated Mentors	Assisting students from the area of identifying areas and sites for conducting familiarisation study to presenting detailed reports. This extends to personal growth too.	Dedicated exposure with committed Guides at 10 mentees per guide offering a range of outside world dynamics and dimensions.

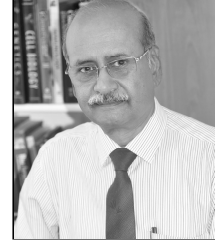

ಶೈಕ್ಷಣಿಕ ವರದಿ

4	Participation in Management Fests and presenting theme-based papers	Assigning Professors as mentors to enhance participation, learning and upskilling student ability in taking up academic challenges.	5 to 6 Fests in a year around Mysore and Bangalore.
5	Memorandum of Understanding	Entering into specific need-based programs with institutions of repute to handhold students in upgrading themselves on the current identified industry requirements.	Renewing existing MoUs and entering into new MoUs on Learning Platforms with industry leaders.
6	Events	Partnering with various industry bodies, fraternity, NGOs and other skill development-oriented organizations to contribute and celebrate theme-based events.	5 dedicated events that focus on enhancing student participation, Team Building, Problem Solving and deriving Lessons from rolling out events. Participation in events is offered point-based assessment to students.
7	Placement and Training	Connecting with industry bodies and Associations of Professionals to be able to link employment opportunities for our students	Making them employable and establishing leads to help students attend campus interviews, referrals and pool connect drives. Extending Internship programs to final employment.
8	Teaching Methodology revamp	Exposing students with more case studies and working on project capsules focused on enhancing Problem identification and solving capabilities	Our team is encouraged to attend various Faculty Development Programs and Seminars to constantly upgrade their ability to bring in the best practices to our classrooms for long term impact

9	Programs and value addition	Identifying key areas of distinct value addition by offering those programs on Digital Marketing, Financial Modeling, Stock Market Investment strategies and Taxation.	At least 2 value added courses for each stream of excellence during the 3 rd and 4 th semester; Certification courses to add value, confidence and convictions amongst students to face the real-world challenges. Courses on Business Analytics, Financial Literacy, Digital Marketing, Language skills enhancement, Quantitative Aptitude are a few areas that we are offering to make our students employable.
10	Forming Dedicated Clubs and encouraging participation	Enabling visits on outbound learning with the support of the Forests and Wildlife Wardens, Community clubs, NGOs and Government bodies.	Coming out with Eco Clubs, HR Forums, Equity Fraternity and Marketing Windows including visits to rural areas along with the MSW Department to make students aware of the realities outside and broad base their abilities to make themselves more employable.

6. Faculty Profile-(Other details)-(both Academic & Non-Academic):

Dr. Harish R

Academic Achievements:

- BOS Chairman of Microbiology programme.
- Resource person for invited talk on Microbes in degradation of Pesticides on 18th January 2023 at SBRR Mahajana first Grade College, Mysuru.
- Guided Project students.

Dr. Kiran B

Academic Achievements:

- BOE Chairman for Microbiology programme.
- Guided 30 students for Department Project.
- Patent Granted.

Dr. Akshatha S J

Academic Achievements:

- Received Ph.D. Degree from Mangalore University.
- Guided 2 students for Department Project.

7. Future plans for the next academic year:

- Introducing Bridge courses to enhance the knowledge in relevant field.
- Upgrading the research work and implementing in the Department projects.
- Encouraging the students for career building in terms of initiating counseling sessions.
- Exploring industrial visits.
- Lecture series organization in various fields.

1. Name of the Department : Biochemistry**2. Motto/Vision/Mission Statement:****Motto:**

Our motto is to provide impetus for education, training, opportunities and work environments that are characterized by honesty, liability, impartiality, and a commitment to understand concepts of life at the Biochemical and Molecular level for all cadres of society.

Vision:

Our vision is to obtain a well-defined elucidation of the molecular interactions that underlie both normal physiology and disease states of life forms which is the foundation of etiology, drug designing and personalized medicine. Additionally, our goal is to understand the molecular mechanisms of and to develop new tools, for biology such as biosensors, biomarkers, study models and therapeutic molecules that will enhance the quality of life through better medical care, disease prevention measures, nutrition, and environmentally sound processes.

- Life member World Society of Virology.

7. Future plans for the next academic year:

- We have planned innovating extension activities pertaining to academia and co-academia for the students of graduate programs at the colleges in Mysuru. Agenda also includes bridge-course programs for the first semester students of M.Sc. Biochemistry to dodge the gap between their graduate understanding of the subject and the post graduate level understanding. Future program will focus on enhancing the soft skills of both faculty and students.
- In a novel move, we have initiated a “**Teaching Assistant**” program at our department where the advanced learners of III semester will be guiding the I semester students in their laboratory and academic assignments. This novel program started in order to boost the confidence of the senior students and set an inspiring aspiration for the junior students. This is expected to improve the leadership qualities and communication skills of the students in both the classes.

1. Name of the Department : Biotechnology**2. Motto/Vision/Mission Statement:****Motto:**

- To provide Biotechnology educational Program with impetus to generate quality workforce.
- To create awareness about potentials of Biotechnology with socio-ethical implications.
- To instil spirit of innovation and creativity in young minds with sound research aptitude.
- To nurture confident individuals who are effective contributors towards growth of the nation.

Vision:

- Our vision is to produce competent biotechnologists who can employ premium processes and applications which will profoundly influence existing paradigm of agriculture, industry, healthcare and restoration of environment providing sustainable competitive edge to present society.

Time Table

Smt. Sunitha N
Convenor

Motto / Vision Statement:

Motto: Prepare Time Table to encompass time for distinct courses with varied Schemes.

Vision : Enhance the ideal use of Resources.

Activities held during the current year :

Introduction

- The Timetable Committee was established to design an effective and efficient class schedule for the academic year from September 2023 to May 2024. The committee's primary objective was to create a timetable that accommodates the diverse needs of students and faculty while optimizing the use of available resources.

Committee Composition

Chairperson: Dr. B.R Jayakumari, Principal.

Faculty Representatives:

- Smt. Sunitha N (Dept. of BCA) - Convenor
- Smt. Venkatalakshmi M N (Dept. of BA)
- Dr. Poornima S and Smt. Ramya V. (Dept. of B.Sc-PMCs, BTBM)
- Sri Radhesh A (Dept. of BCA)
- Dr. Shyla S (Dept. of BBA)
- Capt. Nikhil B R (Dept. of B.Com.)

Administrative Staff:

- Sri Ninge Gowda N
- Ms. Soundarya N
- Sri Basavaraju

Timeline of Activities

The committee convened in August 2023 to outline the timetable requirements.

The following key activities were undertaken:

- **Data Collection:** Circular was sent to HOD's to gather data related to courses and hours as per Departments for ODD semester in September and EVEN semester in December months. To know the preferences and identify potential scheduling conflicts among the Departments well in advance for preparation.
- Workload was collected to understand the number of hours needed and the availability of the resources.
- **Drafting the Timetable:** Blank Time table was created as per the Schemes and distributed to the various departments for ODD Semester in the month of August and EVEN Semester in the month of December.
- Initial drafts were created using the data collected from Departments and incorporating feedback from the Department HOD's.
- Multiple reviews were held to refine the time table based on further feedback.

Key Challenges

Several challenges were encountered during the scheduling process:

- **Resource Allocation:** The availability of classrooms and laboratories posed difficulties, particularly for high-demand courses.
- **Scheduling Conflicts:** Conflicts arose in scheduling core courses that were essential for multiple programs. This required careful negotiation among Departments.
- **Feedback Incorporation:** While feedback was collected, synthesizing diverse opinions into a coherent timetable proved challenging.

Timetable Structure

The final timetable consists of:

- **Class Timings:** Classes scheduled Monday through Saturday, from Morning to Afternoon slots.
- **Breaks:** Strategically placed breaks to enhance student focus and well-being.
- **Open Electives and Lab Sessions:** Scheduled in dedicated blocks to ensure adequate resources are available.

Outcomes

The implementation of the Timetable has yielded:

- Student Satisfaction.
- Improved Attendance Rates: Attendance improved compared to the previous year, indicating better engagement.

Conclusion

- The Timetable Committee successfully developed a structured timetable for the 2023-2024 academic year. Continuous improvement & open communication will be crucial as we move forward to address the evolving needs of our academic community.

Goals for the next academic year:

- Prepare the Time Table as per the Programme Structure well in advance.

Any other matter you would like to mention:

To enhance future timetable planning, the committee recommends:

- Increased Communication: Ongoing dialogue with faculty and students to gather timely feedback.

Studio Media Centre

Sri Rajendra Prasad C
Convenor

Motto/Vision Statement:

Motto: 'Feed the watchdog, build the safe society' To groom the students as Media Professionals with knowledge and skills to excel.

Vision: To inspire successive generations of talented individuals to become dedicated Journalists.

A Report of Studio Media Centre:

Since the inception of Studio Media Centre in the College, it was envisioned that the Centre would develop into a huge digital repository with state of all facilities. Media Centre started has evolved into a major repository of audio/visual documentation encompassing all the arts, creativity and culture, academic, enveloping the development of MES.

There are Two 4K Video Cameras and one Full HD Camera with studios within the Media Centre, along with Studio 'green screen' and we able to do live multi-camera production and all can be interconnected with network facilities with 2 HD TV.

Studio Gallery Suite is where production, lighting, camera control, graphics and Autocue are controlled. Broadcast have supported us in the development of the Media Centre, meaning we have broadcast-standard monitors and One new full-HD digital vision mixing desks where the sound for the studios.

Studio is having a green screen for recording material that will then have CGI (computer-generated imagery) added to form the final image. The studio has a motion control camera, 'Milo', which can reproduce the same programmed move repeatedly. This allows the CGI and the live image to be synced.

Media Centre has created its documentations in various formats namely in VHS, U-matic, low-band, high-band, Beta and present digital format by using

Recording and Editing Softwares. Media Center has taken care of preserving the culture, academic and institutional programmes, lectures in audio/visual documentation with changing times.

Media Centre has been endeavouring to do audio/visual research documentation and archiving them for prosperity and implementing the same by dissemination as well. The major work of Media Centre is:

The print journalism space allows you to collaborate ideas and learn from other fellow students, as well as:

- i. Discuss aspects of news – including ethics and practical requirements as per syllabus.
- ii. Utilise the computer labs – by using specialised computer software and hardware to prepare to write engaging newsworthy stories, designing and pagination and layouts of the newsletters.
- iii. Print Media lab for train up the students from Journalism and Mass Communication by giving practical skill development programmes by using software like PageMaker, Photoshop, Indesign. Newsletter designed, paginated edited by students, individual newsletter has to be released by the each students of the Department.
- iv. Media Centre Library holds all the documentaries.
- v. Post production: Media Centre is not limiting itself to just documenting and archiving rather it has developed a new role to edit the footage and create long documentations also to create documentaries, lecture series by the faculties for mass dissemination.
- vi. Media Centre outreach: College is organizing FDP (Faculty Development Programmes) and Webinars, Lecture Series in the Media Centre.

Studio Media Centre opened its doors for all platform newsroom features:

- Video editing suites
- Television studio
- Interview booths
- Audio production booths
- Meeting rooms

The following programs use the news room's facilities:

- Film & Television Production – Interactive Media Development
- To run Media Entertainment Certificate and Diplomas Skilled Development Courses and Photo Journalism.
